Information For Visitors

Thank you for visiting Tucson Reformed Baptist Church. We are a new church in Tucson that is committed to proclaiming Christ and the hope and Redemption that we have in Him. We are unified around the Good News of our Savior Jesus Christ and not by cultural practices, consumer preferences, or political parties. Regardless of where you are in life, we want to welcome you and proclaim the greatest news ever told, and the greatest hope for those suffering in this broken world.

If this is your first time visiting a reformed church, our services might seem a little bit different. We desire that the whole service be a feast in which our Savior feeds us, and which, in gratitude, we return thanks through song and prayer. We believe that the Lord's Supper should be a regular part of our service and so we receive it each week (there is more information about the Supper on the back of this bulletin, including information for those that are gluten intolerant). We are committed to the great creeds and confessions of the Christian faith and hold to the London Baptist Confession of Faith of 1689.

The Lord's Supper

Believing that Lord's Supper is a blessing and true Spiritual nourishment, we receive it each week. The Supper is also a proclamation of the Gospel. As such, it is only for those who truly believe the Gospel. Or to put it another way, those that believe that Jesus has died for them and have repented of their sins. We further believe that believers should be baptized and members of a gospel preaching church to partake (unless in transitory circumstances). If you have any questions about supper and who should participate, please see Pastor Cosby, or just let the elements pass.
